The Utility's agents shall have access to the meter, pipes, wires and conduits at all time to ascertain that the service supplied is passing through the meter and is properly registering the same, and to stop the supply of service for non-payment of bills, without notice, when past due, or for any other lawful cause or purpose which the Utility may deem sufficient. The agents and employees are hereby authorized to enter the premises of the applicant, at all times, for any such lawful cause or purpose, such as disconnecting or adjusting the meter, removing the meter, with connections, or any other property belonging the Utility.
