**Public Comments/Questions concerning ADA or other items of Business –**

Jenna Steigerwald spoke to the Council on behalf of the Recreation Board. She said they were going to approach the School Board about the possibility of using land by the South Tower for Tennis Courts. As the Recreation Board was discussing having the Tennis Courts redone, they received input from Tennis players that the cost may be higher than originally thought and only provide a band-aid to the problem they have with concrete sinking and cracking. Because of this input, the Recreation Board considered partnering with the School on new Tennis Courts, that could be used by the school and the public. As the discussions progress, she will continue to update the Council.

Jenna ended by updating the Council on the Dog Park. The Recreation Board approved for 4 trees to be removed, which has been done. RNC fence was approved to install the fence for the Dog Park and they are undecided on who will do the concrete work.

With no other comments or items of business, the motion to adjourn was made by Danny Lingo and seconded by Nancy Renner, the meeting adjourned at 5:50 pm.
